Countdown to launch with us at <https://terra.money/> and share your excitement with **#TerraLaunch** on Twitter!

Terra is looking to disrupt the traditional financial system by rebuilding the payment stack on the blockchain and powering all digital transactions with our stablecoin. To do this, we've gathered some of the largest eCommerce companies in Asia that collectively generate \$25 billion in annual transaction volume through 45 million users, so we can effectively push mainstream adoption of Terra. Earlier in 2018, as we were laying out our roadmap, it became clear that in order to operate the payment solution we've been designing, we will need full developmental control over where that
